

Gryphon Football Camp

ages 10-14

This full contact camp is designed to provide a complete football experience. Players will develop skills and improve their understanding of the game, which will enable them to succeed at the next level in their football development, whether it is making a high school team or an OVFL squad. Each player will work at an offensive and defensive position and be expected to learn the playbook of both.

Staff

The Head Coach of the University of Guelph Gryphon Football Team will oversee the offensive development of the players. Kyle Walters, a former Hamilton Tiger Cat and current Defensive Coordinator of the Gryphons, will oversee the defensive development of the players. The rest of the staff will be comprised of current University of Guelph Football players. There will be Athletic trainers on-site during camp times.
